# MAK INTERNATIONAL

## About MAK International

**“Mak International is the founder company of Bitether (BTR)”**

- MAK International, is the Crypto Currency Education Training Company actively working in the Crypto Industry since 2013.
- MAK International is associated with Real Estate Development Industry Too.
- We have already conducted 100+ seminars and presentations on Crypto Currency and Blockchain Technology.
- Looking at our in-depth Knowledge, Motivation and Passion towards the crypto field, many people who attended our seminars and presentations ask us to create our own crypto currency or digital token.
- Thus, we have planned and created our own digital crypto token named “Bitether”.

## Mission

- Take Bitether (BTR) into the list of top traded crypto currencies in the world till 2020.
- Make Bitether (BTR) most valuable crypto currency in term of market capitalization.

## Vision

- Make Bitether (BTR) an incredible Payment gateway for online and offline users till 2025.
- Enter into maximum countries of the world as most trusted platform for financial transactions.

# ICO

## About ICO

- ICO stands for Initial Coin Offerings by which, token or currency founder raise funds from the different investors from different countries using Crowd Funding. Using ICO, most of the crypto currencies of the world came into existence.
- We have also selected the same way to get into the crypto market.
- But with New Innovative idea of **Crypto Mutual Fund Concept (First Ever in Crypto World)**

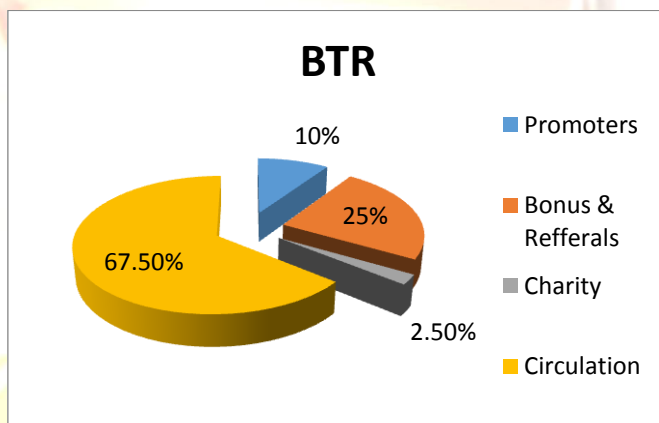

## **BTR's Unique Features:**

- Token Distribution
- ICO Phases & Bonus
- Listing of BTR
- Fund Utilization
- Crypto Mutual Fund
- Redemption Options

# BTR UNIQUE FEATURES

## ○ Token Distribution Pattern

We have planned to distribute Bitether in very unique pattern as follow:

- Out of 550,000,000 BTR Tokens, 10% (55,000,000) BTR will be held by company's promoters & Directors.
- 25% (137,500,000) BTR will be kept aside for distributing Bonus & Referrals.
- 2.5% (13,750,000) BTR will be used for charity. Because company believes in noble cause such as helping needy people, e.g. Medical, Education, Basic needs, etc. Company believe that if company is growing then poor people & needy people must be grown as well.
- Remaining 62.5% (343,750,000) BTR will be circulated among investors & other users.

**ICO {Initial Coin Offerings} 343,750,000 BTR will be distributed via ICO using following Issuing Cycles.**

**❖ ICO (343,750,000 BTR) Distribution:**

- **Cycle Distribution:**

<b>No. of BTR</b>	<b>Duration</b>
<b>4,420</b>	<b>10 Min.</b>
<b>26,520</b>	<b>60 Min. (1 Hour)</b>
<b>636,480</b>	<b>24 Hours (1 Day)</b>
<b>19,094,400</b>	<b>30 Days (1 Month)</b>
<b>171,849,600</b>	<b>9 Months (1 Cycle)</b>

- After completing Every Cycle, the issuance of BTR will be halved.
- So, as per cycle of Issuance, it will take 34 cycles to finish the issuance.
- To complete each cycle, it is taking 9 months, So for completing 34 cycles It will take 25 years and 6 months to issue total 343,750,000 BTR via ICO
- This issuance will be done via unique method of allocation of the company on monthly basis e.g. company can issue maximum 19,094,400 BTR via ICO, and if company gets application of say 3,00,000,000 BTR in a month then company will issue 63.65% ( i.e.  $19,094,400 \times 100 / 300,000,000$  ) BTR to all the applicants, And their remaining amount of investment i.e. 36.35% will be given back or He/She can rollover to apply in the next month.

## ICO Phases:

We have kept the distribution of BTR in three unique phases as follow:

- ✓ **Phase – I (Cold Constant Phase):** In the first phase of ICO, the rate of BTR will be \$0.01 constant for the period of 30 days from ICO Opening Date.
- ✓ **Phase – II (Hot Growing Phase):** In the second phase of ICO, the rate of BTR will increase gradually as per the demand increases for the period of next 100 days till the listing of BTR on exchange.
- ✓ **Phase – III (Variable Trading Phase):** In the third phase of ICO, the BTR token will be listed in private or International Exchange, So, the rate of BTR will depend on the trading scenario.

## Investment Bonus:

Based on the early entry into the ICO of BTR, we offer different bonus slabs for Investors:

Date	Bonus (%)
18 <sup>th</sup> Sept 17 – 17 <sup>th</sup> Oct. 17	20%
18 <sup>th</sup> Oct. 17 – 17 <sup>th</sup> Nov. 17	15%
18 <sup>th</sup> Nov. 17 – 17 <sup>th</sup> Dec. 17	10%
18 <sup>th</sup> Dec. 17 – 27 <sup>th</sup> Jan. 18	5%

\* No Bonus will be given after the launch of BTR

## Referral Bonus

BTR Holder can invite and refer any other investor in ICO. He will get 5% Bonus on new investment made by his referral.

### Listing on Private Exchange:

Firstly, after the period of 130 days of ICO (i.e. **27<sup>th</sup> Jan, 2018**), the listing of BTR will be on the company's private exchange.

**[www.bittrexexchange.com](http://www.bittrexexchange.com)**

- For training and educating towards the trading BTR will be done in company's private exchange where the BTR holder can sell or buy BTR against 22 crypto currencies (Please find the list in currency page.)
- After getting trained no. of traders and increasing volume of BTR trading, Company will then go for listing in international exchanges.

### Listing of BTR on international Exchanges:

We are targeting to list BTR on any **one** of following international exchanges

- Bittrex
- Poloniex
- Nova exchange
- C-Cex
- HitBTC
- Binance
- Other secured exchanges

## Crypto Mutual Fund (Utilization of Fund)

We have planned most profitable portfolio system using different investment options in crypto industry called “**Crypto Mutual Fund**”. This is the concept adopted for the **first time** in the history of Crypto World.

**Fund raised using this ICO will be used as per the following break up:**

Options	% Utilization	Description	Monthly Return
Marketing & Bonus Exp	25%	Marketing Exp and Bonus Exp	0%
Crypto Currency Trading	25%	BTC, ETH, LTC, GNT, STRAT, DGB, STR, BCC, Etc	20%-30%
Crypto Currency Mining	25%	Bitcoin, Litecoin, Ethereum & Dash Coin	20%-25%
Mining Machine Business	25%	S9, L3+, X11, R9, etc	10%-15%

As we have discussed in table, we will go for investing fund which was raised by issuing BTR in different profitable businesses in crypto industry.

- We believe that “one must not put all eggs in one basket”, so as to minimize the risk.
- That’s why we have chosen different tools of investment.
- We are having the experience of crypto currency trading since 2013.
- We have an experience of crypto currency mining since 2015.
- We are going to start the business of crypto currency mining machines in India ( We are the **first one** to do so ). We have already given orders for the same.
- Thus, by doing these business we generate handsome amount of profit.

## **Redemption Options**
